#### VISION

Jack Barnes Elementary School provides an engaging, caring, and safe learning environment that empowers students to contribute to their school and community. Students are expected to be kind, respectful, and show integrity while achieving their personal best through high expectations and growth mindset.

#### **MISSION STATEMENT**

At Jack Barnes Elementary School, we value PRIDE: Perseverance, Respect, Integrity, Determination, and Excellence.

Dear Jack Barnes Elementary Families,

Welcome to our school! I am thrilled to be the principal of Jack Barnes Elementary. I have been an educator for 27 years, teaching elementary grades for 14 years and serving as an elementary principal for 13. I have served in two states and several districts and can honestly say that JBE is a great place to be!

In the spring of last school year, our campus earned the honor of being designated as an A+ School of Excellence by the Arizona Educational Foundation. It is the highest recognition that is bestowed upon schools by the foundation, and we are thrilled to have earned that honor. Serving the students and families who choose to attend Jack Barnes Elementary is a privilege we take seriously. Rest assured that your child is in good hands at our school!

Jack Barnes Elementary is a proud Positive Behavior Interventions and Supports (PBIS) school. PBIS is a school-wide system designed to teach and reinforce behavior expectations in common areas around the school so that all students and staff are aware of the expectations. Our PBIS system focuses on being kind, being respectful, and showing integrity. We will explicitly teach students the expectations, and they will receive reinforcement and/or recognition when they are meeting and exceeding our expectations. PBIS systems minimize instructional interruptions that can occur as a result of misbehavior, thereby increasing opportunities for learning. It is an exciting time to be a part of the Pride!

I believe wholeheartedly in having a strong partnership with students' families. After all, you are your child's first teacher! We welcome your involvement in our Parent-Teacher Organization and throughout our school. There are ample ways to get involved to support your child's educational experience--from volunteering in classrooms to attending field trips, and many others in between. Our staff will welcome your active involvement in our school.

I know you have a choice on where you send your children to school and believe that you have made an excellent choice. Thank you for making us you school of choice! I look forward to a wonderful year with you and your children.

Educationally,

Dawn Kennaugh, Principal

#### **ARRIVAL AND DEPARTURE**

All students (grades 1-6) not riding the school bus should be dropped off in the north loop and then proceed to the proper playground area. **Students are not permitted in the school before 7:45 A.M.** Kindergarten students have their own playground. Kindergarten parents may park in the small parking lot on the northeast side of the building and walk their child to the kindergarten playground gate. Please do not park in the north parking lot or drive through the bus loading area at any time.

Playground supervision begins at 7:45 A.M. Do not bring students to school before this time. School begins at 8:15 A.M. Students are expected to line up with their classes at the playground when the first bell rings at 8:10 A.M. The library and classrooms are not open before school. Students are to stay outside until the first bell unless they are going to the cafeteria for breakfast (served between 7:45 A.M. – 8:10 A.M.)

It is important for everyone to get off to a positive start, so please make every effort to have your student to school on time. Students who arrive late must stop in the main office and get a tardy slip before going to their classrooms. Remember that tardiness disrupts the learning environment for all students.

**School is dismissed at 2:55 P.M.** Teachers will dismiss walkers and students for parent pick up at this time. Bus riders will remain in the classroom until their bus is called over the intercom.

#### ATTENDANCE AND TARDY POLICY

Arizona Law (ARS 15-803) states that "Every person who has custody of a child between the ages of 6 and 16 years shall send the child to school for the full time school is in session within the school district in which the student resides."

Under the provisions of the revised guideline, every absence for state reporting purposes that is incurred by a student that exceeds 10% of the instructional days scheduled for the school year is to be reported as unexcused. For those with 180 days of instruction, every absence after a student has incurred 18 absences (for any reason) is to be reported as unexcused. The absence count pertains to all absences for any membership at any school within a district or under the same charter.

Regular attendance is essential to success in school. A student not only misses work on the day of an absence but also is not prepared for the next day because of missed instruction. Tardiness is disruptive to the learning process. Instructional time is 8:15 to 2:55. Please do not take your child out of school early as this disrupts the learning of all students and could result in a half (1/2) day absence. A picture ID (Driver's License) will be required if your child will be checked out early.

A call to the attendance line explaining the absence or lateness must account for every absence or tardiness. This must be done within 48 hours of the absence in order to change the unexcused absence. Your call to us will save time and help protect your child. It is vital that we have one or more telephone numbers to contact you during the school day. If your numbers change, let us know right away.

A student who arrives late must report to the office to obtain a "late pass" which is given to the teacher. This allows the office to correct the attendance report.

#### STEPS TO FOLLOW WHEN ABSENT OR TARDY:

If your student is going to be absent, please contact the school office. The attendance line is available 24 hours a day / 7 days a week. We appreciate calls before school begins. Children who have had a fever, vomiting or diarrhea in the past 24 hours should stay home. A parent must walk their students(s) into the building to sign them in, without a parent signing them in, the student is considered unexcused. Please make sure to call/email the office (480-987-7400 / <a href="mailto:czamora2@qcusd.org">czamora2@qcusd.org</a>) if your student is going to be tardy in order for their tardy to be considered excused.

#### **BIRTHDAY CELEBRATIONS**

Ideally, any in-class birthday celebration should take no more than 15 minutes. We encourage you to use our Child Nutrition Department for birthday celebrations. *Catering for parents*. In an attempt to accommodate parents' busy schedules and keep money in the district, the Child Nutrition Department provides parents birthday packages that can be delivered to your child's classroom to celebrate their birthday. Packages range from \$1.00 to \$2.90. All items offered are lower in calories and sugar but full of fun and celebration. They also come with a Happy Birthday flyer, or a flyer that can be customized for any occasion.

If you wish to send treats for your child's birthday, please observe the following guidelines:

- 1. Check with your child's teacher in advance to choose a convenient day and time to bring in treats.
- 2. Please remember there are students with food allergies.
- Please provide only ONE small store purchased portable treat per child that can be passed out quickly by the birthday child. Do not bring in or send in a cake as it takes too long to cut and serve.
- 4. If supplying juice please bring juice boxes or pouches (NO red drinks).

#### **BULLYING**

Bullying of any kind is not tolerated at Jack Barnes Elementary School. Bullying is defined as repeated acts that involve a real or perceived imbalance of power with the more powerful child or group attacking those who are less powerful. Bullying can be physical in form (pushing, hitting, kicking, spitting, stealing); verbal (threats, taunting, teasing, name-calling); or psychological (social exclusion, spreading rumors, manipulating social relationships). Students are encouraged to tell an adult if they see any questionable behaviors. Our school counselor does a presentation with each class at the beginning of the year, where she provides ageappropriate strategies for students to use if they are a witness to – or a victim of – bullying.

#### CODE OF CONDUCT

School rules are designed to protect all students. To protect the right of all students, it is important that parents and students understand the consequences of misbehavior.

Teachers have classroom management plans that include consequences, including but not limited to those described in the QCUSD Family Handbook, for common classroom behavioral concerns. When positive behavioral change is not occurring under the classroom plan or when the offense is immediately serious, a disciplinary referral to the school administration will be generated. Other staff members may be responsible for supervising students in the cafeteria, on the playground and throughout the campus according to established school-wide behavioral expectations. When students do not comply with staff members and respond appropriately with the informal actions described in the QCUSD Family Handbook, a disciplinary referral to the school administration will be generated.

Inappropriate behavior will result in consequences. The consequences can include, but are not limited to, the following:

- 1. Time out
- 2. Loss of recess
- 3. Parental contact
- 4. A visit to the principal
- 5. In or out of school suspension

The severity of the consequences will be dependent upon the severity of the infraction as well as the number of previous infractions. Please refer to the chart in the QCUSD Family Handbook for the list of common and / or serious student conduct violations, along with a range of recommended consequences. This list is not meant to be exhaustive.

#### **DISCIPLINE PLAN**

School discipline has two main goals:

- 1. To ensure the safety of staff and students
- 2. To create an environment conducive to learning

At Jack Barnes Elementary we work hard to give your child an excellent education. Our school discipline plan is designed to ensure that:

- No student prevents a teacher from teaching his or her students.
- No student prevents or interferes with other students' efforts to get an education.
- No student engages in activities that are not in his or her best interest and safety or in the best interest and safety of others.

The teacher will explain the class and school rules to your child. We encourage you to review these again with your youngster. We believe it is important for parents and teachers to work together to help children make good choices about their actions and to take responsibility for their own behavior.

For more information, please see the QCUSD Family Handbook.

#### **COMPUTERS**

Students in grades kindergarten through 6<sup>th</sup> are provided with the opportunity to use and learn about computer technology. Students will be using laptops in their classrooms. Technology is designed as an extension of what is taught in the classroom. Technology forms must be completed before a student can use laptops or tablets.

#### **CONCERNS**

If you have questions about your student's school experience, the best place to begin is by contacting the classroom teacher. If you are uncomfortable talking to the teacher about your concerns, then please get in touch with Mrs. Kennaugh. You may leave a telephone or email message to make an appointment. You may also choose to contact the school counselor.

**Please note:** There will be no teacher assignment changes. Our staff works efficiently to ensure each classroom is staffed with a highly effective teacher. Further, our staff plans with grave detail to ensure all classes are balanced in a variety of categories including but not limited to: academics, gender, special needs, etc. Environmental requests need to be filled out and submitted by May 1; environmental request forms are available in the front office and may not be accepted after May 1.

#### **CURRICULUM**

Teachers will follow the curriculum adopted by the Queen Creek School Board and the grade level standards set by the Arizona Department of Education including AVID Elementary.

AVID – Advancement Via Individual Determination

Jack Barnes Elementary is an AVID School. AVID has proven time and time again that, when given a system of rigorous curriculum and strategic support, students can be academically successful. AVID Elementary is a foundational component of the AVID College Readiness System and supports AVID's mission and vision to provide a comprehensive model for success for all students, from elementary through higher education.

#### **Components** – AVID Elementary incorporates:

- **Student Success Skills** encompassing communication skills (e.g. listening, speaking and writing), self-advocacy skills, note taking strategies, critical thinking and study skills.
- **Organizational Skills** both mental and physical; students learn to use organizational tools, as well as learn and practice skills around time management and goal-setting.
- **WICOR Lessons** emphasize instruction on writing to learn, inquiry, collaboration, organization and reading to learn in all content areas.
- Partnerships among students, classrooms, grade levels, schools, families and communities.

AVID is not just another program... at its heart, AVID is a philosophy. Hold students accountable to the highest standards and provide academic and social support, and they will rise to the challenge.

AVID's mission is to close the opportunity gap by preparing all students for college readiness and success in a global society.

#### **HEALTH OFFICE**

#### ✓ IMMUNIZATIONS

House Bill 2295 – Chapter 208, 1990 Law requires that pupils be suspended from school upon enrollment if documentary proof of immunization is not submitted unless the student is exempt due to certification that immunization is detrimental to the student's health. This requires exclusion of students who lack documentary proof of immunization during outbreaks of communicable immunization and / or preventable diseases. Contact the school nurse at 480-987-7407 for more information.

#### **✓** MEDICATION

Prescription medication must be prescribed by the student's health care provider and the provider's orders must be presented to the school at the time medication is given to the health office. A consent form must be signed by the parent / guardian to administer the medication at school. The form is available through the health office. Prescription drugs must be in the original pharmacy container, labeled with the student's name, date, medication, dose, time to be taken at school and length of treatment. (The Pharmacist may be requested to prepare a special container for school use.) A parent / guardian MUST bring the medication to school. Students are NOT allowed to transport medication except for an inhaler and /or emergency allergy pen with a current prescription label for the student. Medication will be administered in the presence of the health assistant, or in their absence, by the person designated by the school principal. All over the counter (non-prescription medication) must be approved by the FDA and come in the original container with label and package directions. Expired medication will not be given. Only medication that needs to be given during school hours is permitted, including cough drops and Tylenol.

#### ✓ SCHOOL NURSE

The school has a full-time health aide on duty to administer the health program. The health office is an emergency station and is not equipped to take care of any serious illness or accident. Students who become ill or injured at school are to report to the health office or other personnel immediately. **Parents must keep emergency cards updated with current phone numbers at all times in the event of an emergency.** 

Students may be dismissed from class at any time if the teacher considers it necessary. Students who are ill or injured will be sent to the office for attention. Students are to come alone to the office unless it is necessary for someone to help them. A student may visit the office at any time without a permission slip in case of an emergency.

#### **HOMEWORK**

Homework is not simply busy-work assigned to children to keep them occupied at home. Homework assignments and studying serve several educational needs that are essential to receiving a complete education. They provide an opportunity for children to develop self-discipline, study habits, and time management skills. Children learn how to be independent and responsible. They practice taking initiative by beginning projects on their own and studying when necessary. Homework also closes the gap between school and home. Learning should happen at home as well as in school.

#### Types of Homework

- Practice homework allows students to review what they covered in class. This increases comprehension of a subject or topic while helping children retain it for longer periods of time.
- Preparation homework helps children prepare for an activity or in-class assignment. This includes research and brainstorming.
- Extension homework includes long-term assignments such as papers or projects. These assignments should correlate with subjects students are learning in the classroom.

The Homework Effort grade for Grades 1 – 6 will be graded as follows for missing homework assignments:

E = 1 or less missing assignments for the quarter

M = 2-4 missing assignments for the quarter

P = 5 missing assignments for the quarter

N = 6 or more missing assignments for the quarter

Students are expected to read independently for a minimum of 15 minutes every night. If the parents hear from their son/daughter that they do not have homework, it is suggested that parents contact teacher to confirm.

A student with an excused absence will have until the Monday following the absence to submit missing work. A student with an unexcused absence will be expected to do all the work and may (at teacher discretion) receive credit.

A suspended student must take the responsibility of doing all assignments during his/her absences and turn in the work the first day back and may (at teacher discretion) receive credit.

Those parents requesting homework for students who are sick at home may call the office between 8:00 a.m. and noon, and pick up any homework between 2:30 – 3:30 p.m.

#### **HONOR ROLL**

For grades 3 – 6, there are two levels of recognition: Principal's List and Honor Roll. Students who meet the following criteria will receive a certificate and be recognized at an assembly.

Grading ranges are as follows:

90-100=A 80-89=B 70-79=C 60-69=D

The following criteria will be used to determine Honor Rolls:

Honor Roll - 85% or above with A's and B's and no more than 1 C with no D's, F's or N's in any category or subcategory.

Principal's Honor Roll – 95-100% with no C's, D's F's or N's in any category or subcategory.

Grades for Honor Rolls will be computed quarterly.

Grades for Honor Rolls will be based on grade level or above grade level work.

The penmanship grade will not be included.

Any grade on the report card of a D or F, or an N in Effort for the quarter will automatically disqualify a student from the quarterly Honor Rolls.

Synergy will be used to determine percentages.

Joining and volunteering with the PTO is a great way to make a difference in your child's education and meet other school families. Feel free to contact any of the PTO officers with questions, ideas, or to volunteer. The PTO email address is: jbelionspto@gmail.com

#### **SEASONAL FESTIVITIES**

Seasonal Festivities / Celebrations - At Jack Barnes Elementary School and QCUSD our primary focus is teaching and learning. We participate in a variety of fun celebrations like spirit days, seasonal activities and festivities to celebrate special times of the year. They do not include student costumes during the school day. These types of events generally take place for a short period of time at the end of the school day and / or include educational activities so we can continue to focus on our mission of teaching and learning.

#### SPECIAL EDUCATION

Queen Creek District provides a variety of special education programs and services to our students.

Our goal is to serve our student's in the least restrictive setting possible. Services are provided for all identified students ages 3-22.

Parents / students who desire further information on these programs and services should contact the Department of Special Programs at 480-987-5990.

#### STUDENT CHECKOUT PROCEDURE

Our dismissal time is 2:55 p.m. "Please do not make it a habit of picking up your child earlier than 2:55 p.m. as this disrupts the learning process and may result in a half (1/2) day absence. A request to have a student excused from class early should be sent with the student the morning of dismissal. The time and reason for leaving should be included. When possible, medical, dental, and vision appointments should be made outside of school hours.

The student will remain in the classroom until the teacher is notified by the office to release the student. The parent or authorized person must report to the office and sign the child out. Provide picture ID.

Any transportation changes will have to be preceded by a note or phone call from the parent or guardian. "To ensure your child safely gets to the correct location after school, if you are making a change, it is imperative you call the office before 1:30 p.m."

The school is not responsible for theft of parts or damage while bicycles or scooters are parked in the bike rack.

The following rules are to be observed by all bike riders entering and leaving school:

If you call during class hours and leave a message with the office, the teacher will try to return your call the same day.

#### **VISITING THE SCHOOL**

For the protection of our students all visitors are required to check in at the office and wear a Visitor's Badge. Unplanned visits before or after school are disruptive to the teacher's prep time. Unplanned visits during instructional hours are disruptive to the classroom-learning environment. Be considerate of the students' instructional time by not "visiting / talking" with the teachers during the instructional day. You must make an appointment to see a teacher before or after school to discuss your child's progress or other concerns. Children from other schools and younger siblings are not allowed to visit. Please do not ask for an exception to this restriction. Visiting children require attention; this is an additional responsibility and liability for the classroom teacher.

#### **VOLUNTEERING**

Jack Barnes Elementary welcomes and needs parent volunteers. All school-day volunteers who are not legal guardians must apply by filling out a volunteer application (located on the QCUSD website) and undergo a criminal background check. This process will need to be completed every school year. There are many ways to help on your own time if you are not able to come to school during the day. If you are interested in volunteering, contact your child's teacher. Teachers have many tasks that can be completed at home for those parents who do not have childcare for younger siblings.
